Bring classical style to both residential and hospitality environments with the Towne Collection. The line includes a five-arm chandelier, three-arm chandelier, and wall sconce, all of which are handcrafted of solid bronze and finished in your choice of nine patinas, to reflect your personal style.

Select a conical or drum shape for the luxurious 100% linen shades, offered in white, flax, taupe, or black. All pieces can be dressed up or down with optional bronze prisms and strands of organic shaped quartz crystals. The classic silhouette complements a wide spectrum of settings and period styles, from an Edwardian or Georgian manor to an Art Nouveau apartment.
