### FUNCTIONS

**Passage (PA):** Latch operates by knob or lever from either side of door.

**Privacy (PR):** Latch operates by lever from either side. Push button on interior rose engages privacy; emergency release hole is on exterior rose. Turning inside lever will release privacy and retract latchbolt. For bathroom or bedroom. Uses 7mm split spindle.

**Pair Dummy (PD):** Trim on both sides of door. Knob or lever with thru-bolted, concealed screw rose set.

**Single Dummy (SD):** Trim on one side of door only. Surface mounted shipped standard. Thru-bolted available. Knob or lever with rose.

**SET CONTENTS** - Each set consists of 2 lever handles (or 2 knobs), 2 finished rosette covers, tubular latch, spindle, and all mounting hardware. The active latchsets are provided with a patented spring loaded sub-rose cassette designed for use with lever handles. Supplied with the No. 013 "T" strike as standard. No. 014 full lip strike available as an option at no extra charge. For the No. 019  $4\frac{7}{8}$ " ASA strike, add additional charge of \$15.00 list. These options are to be specified at time of ordering.

**HOW TO ORDER** - Sets are shipped with  $2\frac{3}{8}$ " backset as standard.  $2\frac{3}{4}$ " backset option available at no extra charge; specify at time of order. All sets are standard for  $1\frac{3}{8}$ " thick doors. Sets are available for  $1\frac{3}{4}$ " or 2" thick doors; specify at time of order.

SINGLE DUMMY sets are supplied as surface mounted, concealed screw (unassembled).

PAIR DUMMIES will consist of two (2) surface mounted, concealed screw single dummies.
